Author: Scott Wilson

Can your church be both seeker-friendly and spirit-filled?

Clear the Stage, Scott Wilson and John Bates share how God gave them a vision to marry these two divergent streams of church practice. You don't have to choose between the old revivalist mentality and the more recent seeker-friendly plan. Instead, the authors present a whole new way of doing church that clears the stage so the Spirit of God can do what only He can.

Based on their own life-changing experiences, Scott and John share how you can use the sacred traditions of the Pentecostal experience to reach out to the lost while also discipling believers in a new and relevant way.
