What if organizing your life was as easy as making small lists? What if you don't need to use separate tools like calendars, diaries and journals? What if you just need to use one thing to organize all lists and get your life together?

With the TRELLO GTD system, you can make this possible. It's a reliable system you can use to throw in all of your thoughts, tasks, goals, projects and even your dreams. Most of the time, people don't achieve their goals because they did not set a clear action plan. They fall prey to the ambiguity and distractions that they end up settling for the small goals instead.

This doesn't have to be the case. With Dominic Wolff's new book, *Get Things Done with Trello: Your Quick Access to Productivity and Success includes a Step-by-Step Guide to Set Up and Implement Trello*, you can enhance your productivity with the help of two tools: GTD and TRELLO. He fuses these two and comes up with a reliable system that will help you manage your tasks better and organize your projects easily. There's not a goal that's too small or too big that the TRELLO GTD system can't handle.

Making lists won't be the only thing you will learn from this book. Wolff, author and entrepreneur, also discusses topics like:

- Principles of the Getting Things Done
- TRELLO 101 with bonus advanced tips and tricks
