## MACBETH EBOOKS 2019

Author: William Shakespeare, Jonathan Bate u0026 Eric Rasmussen

Release Date: Expected @@expectedReleaseDate@@

No dramatist has ever seen with more frightening clarity into the heart and mind of a murderer than has Shakespeare in this compelling tragedy of evil. Taunted into asserting his "masculinity" by his ambitious wife, Macbeth chooses to embrace the Weird Sisters' prophecy and kill his king—and thus, seals his own doom. Fast-moving and bloody, this drama has the extraordinary energy that derives from a brilliant plot replete with treachery and murder, and from Shakespeare's compelling portrait of the ultimate battle between a mind and its own guilt.u003cbr /u003eu003cbr /u003eEach Edition Includes:u003cbr /u003e□ Comprehensive explanatory notes u003cbr /u003e□ Vivid introductions and the most up-to-date scholarship u003cbr /u003e□ Clear, modernized spelling and punctuation, enabling contemporary readers to understand the Elizabethan Englishu003cbr /u003e□ Completely updated, detailed bibliographies and performance histories u003cbr /u003e□ An interpretive essay on film adaptations of the play, along with an extensive filmography
