Penguins – our loveable, cute, flightless friends who are constantly dressed for a formal occasion – have always fascinated us. As we shuffle through life one day at a time, it's easy to take things far too seriously, but when we see penguins taking a walk in our shoes it's impossible not to recognise how silly we can actually be. Featuring amusing illustrations with captions that show penguins in the day-to-day situations we've all experienced – from a relaxing day at the beach to a stressful morning commute – Penguins of America is a hilarious and charming send-up of daily life.
