Looking for the ultimate method to optimize your daily activities and organize your work, home, and personal routine? Want to know how to actually get things done faster and remember things on the fly? Evernote is the mother of all note taking apps. It's super easy to use and is chock-full of features that will help you:

remember everything, from to-do lists to website content to classroom lectures;

access reminders, notes, recipes, pictures, emails, and tidbits of information from your Smartphone, tablet, laptop, and desktop computer;

digitally takes notes and organizes them just like how you would capture, save, and file objects and information in real life.

Despite Evernote's incredible repository power, only a few are aware of the app's full potential, but thanks to "Total Time Mastery with Evernote," the latest book from Dominic Wolff, the world will soon discover how valuable the software is.

"Total Time Mastery with Evernote" is an ultimate guidebook that shows you the ins and outs, the side-to-sides, and the backwards and forwards of the note management app. It will teach you how to incorporate the organization software into every aspect of your daily living pattern.

Other things Dominic Wolff will teach you include:

How to master every single feature of Evernote

How to be an Evernote expert in just two hours

How to use the app to manage your work, finances, school projects, company, and household

How to digitally record important information, events, pictures, and videos among others

How to use Evernote's advanced tools and features

How to streamline your daily tasks using Evernote to increase efficiency
